Summary of Legislation: This bill establishes the Environmental Crimes Task Force to study the appropriate class of criminal violation that should be assigned to each type of environmental crime. The bill requires the task force to file a final report before January 1, 2005.

Effective Date: Upon passage.

Explanation of State Expenditures: The task force consists of four legislators, one state employee, and nine lay members. Legislators are entitled to \$112 per diem. Lay members are entitled to \$50 per diem. Members are also entitled to \$0.345 mileage. The expenses of the committee are to be paid from State General Fund appropriations made to the Legislative Council or the Legislative Services Agency. Legislative Council Resolution 01-3 (adopted June 7, 2001) provides a budget of \$9,000 for interim study committees with fewer than 16 members.

The Legislative Services Agency is to provide staff support to the committee. The Agency should be able to absorb expenses associated with this provision given its current budget.
